# THE FINAL S

## MEET THE BADDIES BEHIND

### LORD VOLDEMORT

NEEDING NO INTRODUCTION, HE-WHO-MUST-NOT-BE-NAMED IS THE MOST EVIL WIZARD TO HAVE EVER LIVED. AFTER ATTENDING HOGWARTS AS A BOY, VOLDEMORT VOWS TO DESTROY DUMBLEDORE AND THE ENTIRE SCHOOL DURING THE BATTLE OF HOGWARTS, ASSUMING HE HAS KILLED HARRY. VOLDEMORT BELIEVES THAT THE BATTLE IS OVER... BUT ALL IS NOT AS IT SEEMS!

### BELLATRIX LESTRANGE

AS THE UNOFFICIAL LEADER OF THE DEATH EATERS, BELLATRIX COMMITTED HER MOST UNFORGETTABLE CRIME: THE MURDER OF FRANK AND ALICE LONGBOTTLAW, BEFORE SETTING HER SIGHTS ON DESTROYING HER HUSBAND. AFTER ESCAPING FROM AZKABAN, BELLATRIX THEN WENT ON TO KILL HER OWN BROTHER, HERMION GRANGER, MEETING HER MATCH IN WHOLE WEASLEY DURING THE BATTLE OF HOGWARTS.

### LUCIUS MALFOY

LIKE FATHER, LIKE SON, LUCIUS MALFOY IS ONE WICKED WIZARD! MR MALFOY ORIGINALLY ATTEMPTED TO BRING DOWN HOGWARTS BY GIVING GINNY WEASLEY VOLDEMORT'S SCHOOL DIARY, THEN BY ORGANISING THE ATTACK ON DUMBLEDORE'S ARMY AT THE DEPARTMENT OF MYSTERIES. BUT HIS FINAL ATTEMPT, DURING THE BATTLE OF HOGWARTS, LEAVES THE SCHOOL IN WRECK AND RUIN.

# HOWDOWN!

## THE BATTLE OF HOGWARTS!

### DRACO MALFOY

ALONGSIDE THE DAUGHTERS OF CHARM AND GORE, DRACO'S ONE MAJOR SLIPPING UP: THE VERY INSTANTLY TWICE ATTEMPTING TO KILL HARRY POTTER. ANTIHUG BATH WITH THE WITCHES' STICKS, SLICE AND CHANGING THE BATTLE FIELDS. FIGHTING FORWARD, DRACO THEN FATEFULLY SAVED HIS ANKERS IN THE END. AN THE FIGHTS IN THE END. THE END.

### ANTONIN DOLOHOV

AFTER A STINT IN AZKABAN, ANTONIN DOLOHOV MADE HIS ALLEGIANCE TO VOLDEMORT KNOWN WHEN HE SERIOUSLY INJURED HERMIONE AND MAD-EYE MOODY AT THE DEPARTMENT OF MYSTERIES. AS IF THAT WASN'T BAD ENOUGH, ANTONIN THEN ATTACKED HARRY, HERMIONE AND RON IN TOTTENHAM COURT ROAD, BEFORE MURDERING LUPIN DURING THE BATTLE OF HOGWARTS.

### NARCISSA MALFOY

USING HER FAMILY HOME AS THE HEADQUARTERS FOR VOLDEMORT AND HIS DEATH EATERS, NARCISSA TAKES HERMIONE AND RON AS PRISONERS UNTIL THEIR ESCAPE. LATER, DURING THE BATTLE OF HOGWARTS, NARCISSA DIES TO VOLDEMORT WHEN INFORMING HIM THAT HARRY HAS BEEN KILLED. THIS IS HER LAST ACT, MEANS THAT THE MALFOYS WERE IMPRISONED IN AZKABAN.

# PRANK PATROL

YOU WON'T KNOW WHERE,  
YOU WON'T KNOW WHEN!

## ROCK STAR RESTAURANT

K-Zone visited the set of ABC3's Prank Patrol to watch a prank go down first-hand. Unsuspecting Charlotte thought she was helping out at a short-staffed café for the day, but little did she know, Lulu, Scotty and the Prank Patrol team had rigged everything to go horribly wrong!

THE PRANKER, LULU

Prank Patrol roped in rock star Stan Walker to help out with this practical joke, as Charlotte is a huge fan. What a good sport!

TO WATCH THIS PRANK  
GO DOWN HEAD TO  
[WWW.KZONE.COM.AU](http://WWW.KZONE.COM.AU)

Prank Patrol's prop department gets to work on sabotaging a stool!

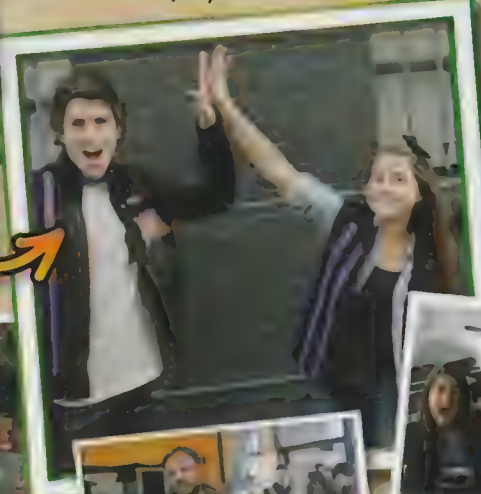

Loads of effort goes into creating the perfect prank. For this tummy tickler, ABC3 used a collapsing stool, a wobbly table that left Stan covered in food, and a drink filled with chilli flakes for a spicy send-off!

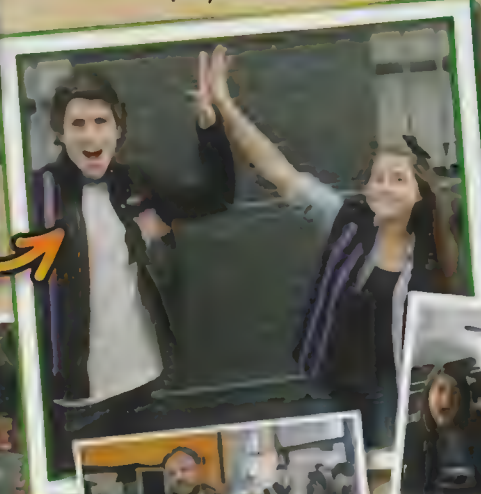

LET'S GET THE PRANKING STARTED!

Shhh! Scotty places one of the many hidden cameras in the coffee machine.

The director tells everyone that Charlotte is on her way. Act natural!

The Prank Patrol Ninjas are always lurking, ready to help out if the prankee gets suss!

In the room next door, K-2's Kate operates a remote controlled camera located in the café. Sneaky!

Although Charlotte wasn't too impressed about being pranked, she and Lulu are still besties!

# PRANK'D!

WE CAUGHT UP WITH SCOTTY, HOST OF PRANK PATROL, BEFORE GIVING HIM A TASTE OF HIS OWN MEDICINE AT K-Z HQ!

**KZ: WHAT DO YOU NEED TO PULL OFF THE PERFECT PRANK?**

**SCOTTY:** 100% awesome preparation. You need to know your target, and be equipped with the right materials to make it happen. Most importantly, you need to be able to watch it go down - there's nothing worse than not being there to enjoy it!

**KZ: WHICH PRANK HAS BEEN YOUR FAVOURITE SO FAR?**

**SCOTTY:** Last series we managed to prank an entire school! We had a helicopter hover outside a classroom with fake news reporters. The principal was in on it, so the kids were pranked hardcore!

**KZ: WHAT'S THE BEST REACTION YOU'VE HAD?**

**SCOTTY:** We had a prank called Magic Show where we pranked the most gullible girl in Australia. At the end, I jumped out of a cupboard dressed as a wizard, and she literally just ran off the stage!

**KZ: ANY PRANKS GONE WRONG?**

**SCOTTY:** No, luckily! We're always so well prepared. There have been times when pranks haven't run as smoothly as we'd hoped, but that's all part of being behind-the-scenes of Prank Patrol!

**KZ: DO YOU GET PRANKED OFTEN?**

**SCOTTY:** All the time! Kane and Amberley from Studio 3 try to prank me, so I'm very suss when I go in there!

**KZ: WHAT'S IT LIKE WORKING WITH THE NINJAS?**

**SCOTTY:** The Ninjas are a key part of the show. They're very good at what they do, and manage to prank me every episode. I should see it coming, but I never do!

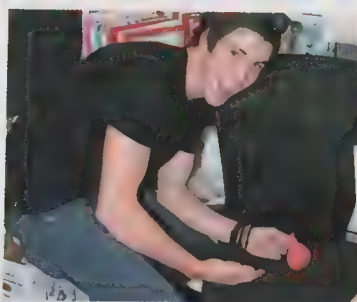

# SCOTTY ARRIVED AT K-Z HQ WITH PLANS TO TAKEOVER AND PRANK THE CREW!

WE CAUGHT HIM HIDING A FAKE SPIDER IN CINDY'S MUG, BUT SHE DIDN'T SEE IT UNTIL IT WAS TOO LATE!

NEXT, SCOTTY SET HIS SIGHTS ON THIRSTY CASS, AND CUT HOLES IN HER CUP!

THE OLD WHOOPEE CUSHION ON THE BOSS' CHAIR GAG! PRICELESS!

DAN SWEARS HE DIDN'T FART.

AS SCOTTY SAID FAREWELL TO K-Z HQ, HE THOUGHT HE WAS THE PRANK MASTER - UNTIL HE PUT HIS HELMET ON TO RIDE HIS BOARD HOME...

TUNE IN TO PRANK PATROL. SUNDAYS AT 10.10AM ON ABC3.

## CELEB PRANKSTERS

### AXLE WHITEHEAD ACTOR, HOME AND AWAY

"I was about to film a kissing scene on *Home and Away* with my co-star Tessa James, who played Nicole. Before the director called 'action', I took a huge bite out of an onion without her noticing. She had to kiss me with a straight face even though it tasted putrid!"

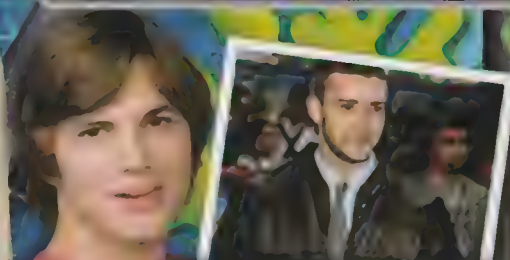

### CODY SIMPSON SINGER

"While on tour, I shared a room with my best mate, and we were in bunk beds. When he fell asleep, I taped a life-sized poster of myself to the top of the bunk, so when he woke up, he got the fright of his life!"

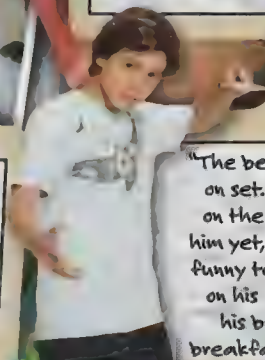

## EVEN THE STARS MATES AND SHY AW

### ASHTON KUTCHER HOST, PUNK'D

Ashton's pranked hundreds of celebs, but one of his best was pulled on Justin Timberlake. An agent from the tax office showed up at JT's place, telling him he owed the government a million bucks. "Justin almost cried," laughed Ashton.

### JAKE T. AUSTIN ACTOR, WIZARDS OF WAVERLY PLACE

"The best prank I ever pulled was on set. We had a new Director on the show, I hadn't even met him yet, but decided it would be funny to put a plate of pancakes on his chair. He sat down, and his butt was covered in my breakfast! I didn't even fess up."

## CELEB SHAME FILES

**SHAE BREWSTER**  
HOST, SATURDAY DISNEY

"I've had so many embarrassing moments! The worst was when I had to dress up in a giant corncob suit and go shopping. The crew had hidden the camera, so everyone just thought I was very strange!"

**SCOTT TWEEDIE**  
HOST, PRANK PATROL

"My hair-do back in my school days was pretty embarrassing. Apart from that, I once hosted a State of Origin function. When I got there, I found out I had to wear tiny football shorts and socks. And that's all! It was pretty humiliating in front of big, tough footy players!"

**PO**  
DRAGON WARRIOR,  
KUNG FU PANDA

"While trying to find inner peace, I had so many thoughts about who I was and where I came from - burning questions! I was having a moment, and Tigress caught me being emotional. It was very embarrassing. I don't like being caught having feelings because I'm a tough guy!"

**WYATT**  
HOST, CAMP ORANGE

"During the filming of our latest season of Camp Orange, I split my pants. Three times! I had to keep changing them 'cos you could see my undies!"

# PRANKS

BECOME THE PRANK MASTER!

## PHONEY PHONE!

Grab some clear sticky tape and head to the telephone in your house. Place some tape over the phone's earpiece, so that no sound can be heard. Use a mobile to call the house phone and watch as your mum tries to figure it out!

## COMPUTER CHAOS

This prank will come in handy during your next computer class. Head into the computer labs before the rest of the class, unplug the keyboards and then plug them back in to different machines. Crack up when nobody can figure out why the screens are full of unexplained text!

## FAKE IT!

When your siblings are getting ready for school, inform them that you don't have to go today. When they ask why, say your parents gave you the day off to play videogames 'cos you're the coolest kid in the family. Keep an ear out for the complaints!

## K-ZONE PRANK!

"My mum is really scared of mice, so to prank her, I tied a kitchen scourer to a piece of fishing wire, and put it in her bedroom. I hid, and when she went to walk in, I quickly pulled the string. She screamed because she thought she'd seen a mouse!"

## ICING ON TOP

It was a very popular, low-cost event, and it was held at a time when the city was still recovering from the damage of the 1974 earthquake. The event was a success, and it was held every year for many years.

**IMOGEN, ■**

## BREAKFAST BLUNDER

I was left alone with my mother and sister as we waited for the doctor. I increased the salt infusion, without looking. I aimed it all over my back, then I ate it, and the next hour, so much that I passed out. The salt was too strong for me to eat.

**ETHAN. 8**

## PUBLIC FART

When I met up for the first time with a group of friends, I had an idea of the work in class. Everyone I met had an idea that it was beyond me, but was I not?

## LOST LUNCH

20. *When I was young, my dad and I would sneak junk food—mostly chocolate—into the 10th grade, and, in 11th grade, I'd get some water from the bubbler, but I think in the time before I could use the water, I'd get some more chocolate!*

**MASSIMO. 2**

## COMPUTER COLLAPSE

On September 11, 2001, I accidentally kicked a cable under my desk. After pulling it out for a while to look at it, I got up to turn the power light off when I found it was broken. I felt stupid, or maybe because I'd touched the machine.

## SLEEPWALK SHAME

## HOT WHEELS ACTION M SUPER STUNTS IN

**KZ:** WHEN DID YOU FIRST DECIDE THAT YOU WANTED TO BE A STUNT DRIVER?

**JB:** AS A KID, WATCHING OLD CARS FLY AROUND DIRT TRACKS IN DUQUES OF HAZZARD JUST LOOKED LIKE TOO MUCH FUN! THE CRAZY THING IS, MY FIRST REAL STUNT JOB CAME IN 2001 WHEN I WORKED ON THE DUQUES OF HAZZARD MOVIE!

**KZ:** WHAT WAS THE FIRST STUNT YOU EVER PULLED OFF IN A CAR?

**JB:** AT THE END OF MY SHIFT AS A BUBBLY DANCER IN COLORADO, USA, I WENT TO A CAR PARK AND DID DONUTS IN THE BUBS. UNFORTUNATELY, MY BOSS SAW THE WHOLE THING AND FIRED ME THE NEXT DAY!

**KZ:** WHAT WERE YOUR FIRST THOUGHTS WHEN YOU HEARD ABOUT THE WORLD RECORD ATTEMPT?

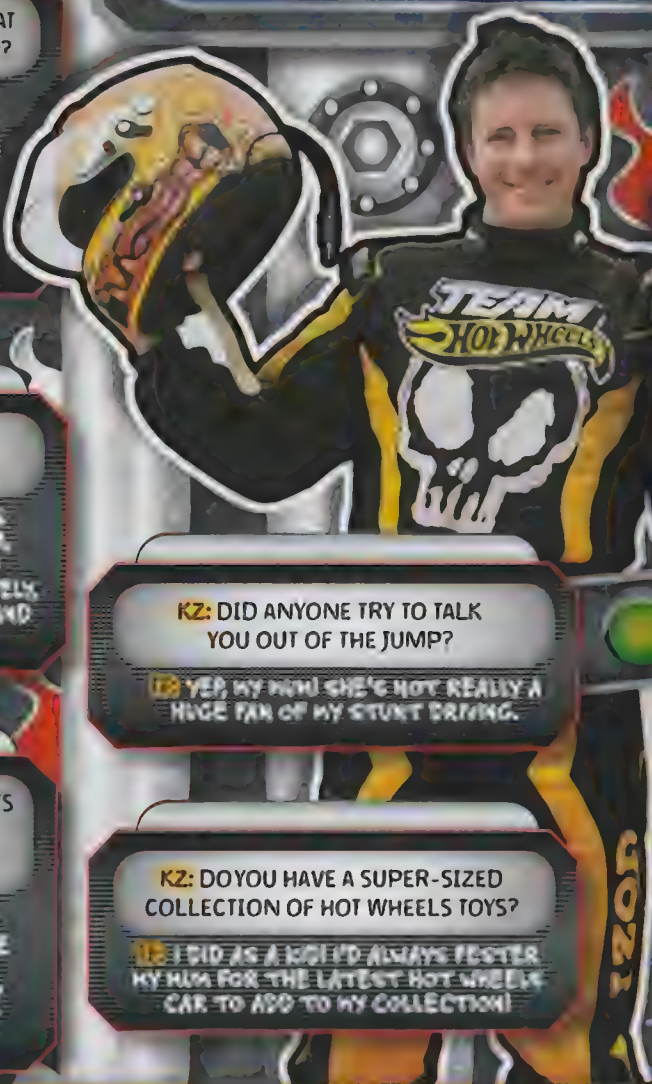

**JB:** IT SOUNDED LIKE THE GUY AT MATTEL HAD GONE CRAZY BUT ONCE I UNDERSTOOD THE SCIENCE AND TESTING BEHIND THE JUMP, I REALLY TRUSTED THE TEAM AND COULDN'T WAIT TO GET GOING!

**KZ:** DID ANYONE TRY TO TALK YOU OUT OF THE JUMP?

**JB:** YEP, MY MOM! SHE'S NOT REALLY A HUGE FAN OF MY STUNT DRIVING.

**KZ:** DO YOU HAVE A SUPER-SIZED COLLECTION OF HOT WHEELS TOYS?

# HOW TO DRAW...

# HOT WHEELS!

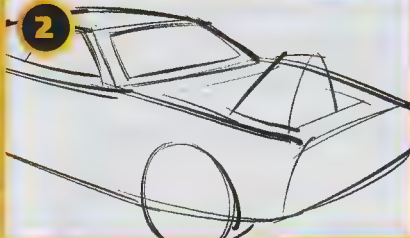

## PLYMOUTH DUSTER THRUSTER

1

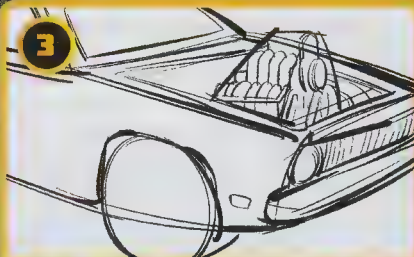

**START YOUR ENGINES** Using a pencil, lightly sketch the form of the car. The main frame is blocky, with a triangular engine sticking out the front. Add two circles for the wheels.

2

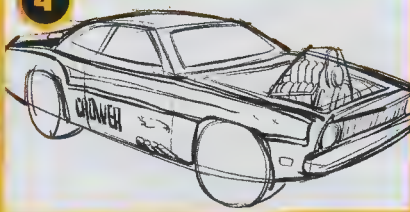

**ACCELERATE** Start by drawing the long, wide arc-shaped roof. Draw the rectangular windshield and side windows. Sketch the hollow portion of the hood.

3

**REV IT UP** Draw the engine, and add the headlights and grill at the front. Draw the bumper and the four exhaust pipes near the front fender. Finally, sketch the front fender.

4

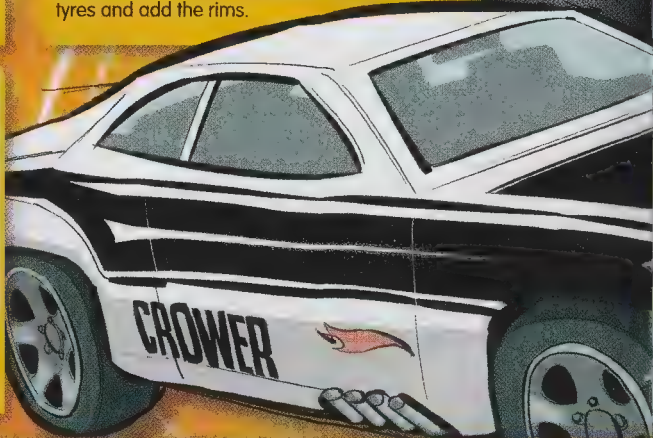

**RACING STRIPES** Add the racing stripe design and other details to the side of the car. Draw the tyres and add the rims.

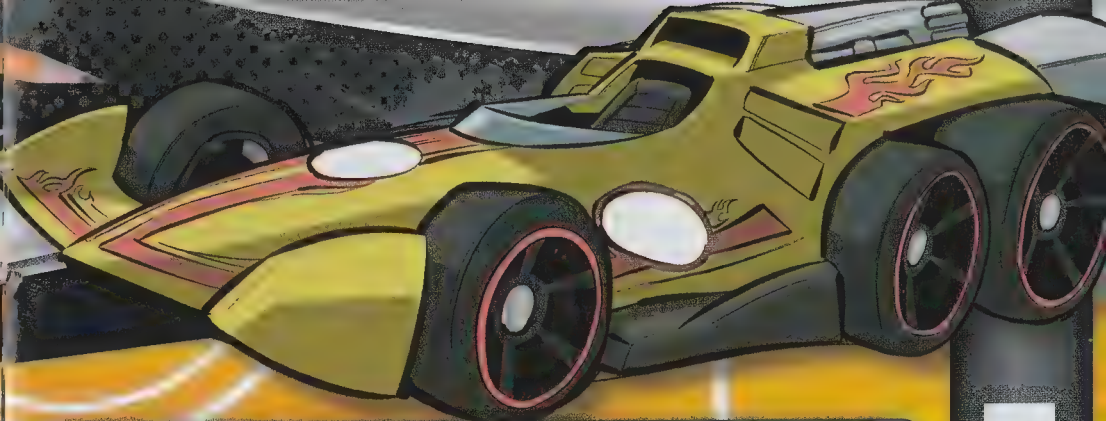

5

**WICKED WHEELS** Trace over your pencil lines with an ink pen, then erase once the ink has dried. Add colour to finish your Hot Wheels Plymouth Duster Thruster!

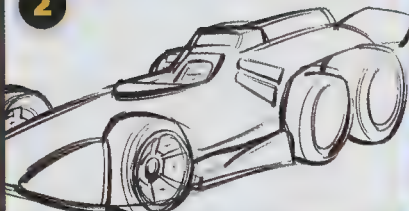

# DANICAR 2011

1

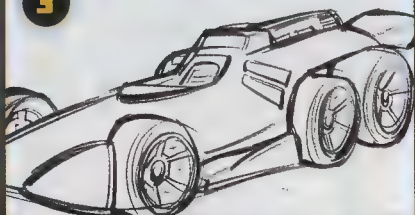

**RACERS, READY** Sketch the bullet-shaped car body using a pencil. Draw the nose cone and the front spoiler, and sketch the wheels.

2

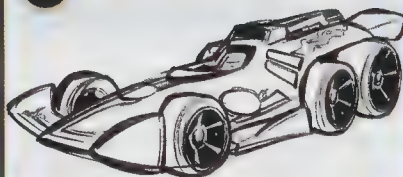

**IN THE DRIVER'S SEAT** Draw the cockpit and add the details above the driver's seat. Sketch the side of the car.

3

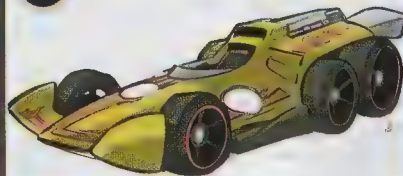

**WHEELIE GOOD** Draw the engine at the back of the cockpit. Sketch the double wheels and the large rectangular exhaust at the back of the car.

4

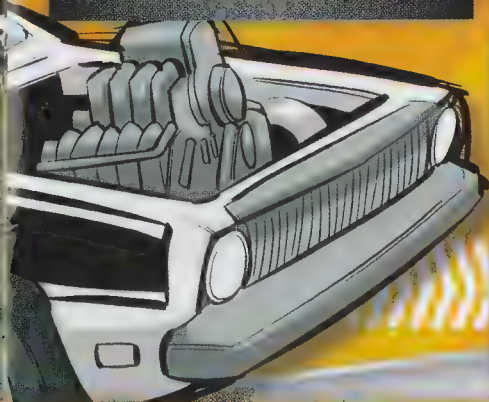

**NEED FOR SPEED** Sketch the fire design at the top of the car and near the wheels, and then pencil in the circular shapes around the car.

5

**COLOUR MEANS GO!** Using an ink pen, trace over your pencil lines. Once the ink has dried, erase the pencil and add colour to finish your Hot Wheels Danicar 2011 model! Sweet!

— And so have we

Well done Australia! Our newsprint recycling rate has nearly tripled in 19 years. With a 78 per cent recycling rate we are amongst the best recyclers of newspapers and magazines in the world. Most of this recycled newsprint becomes newspaper and cardboard. Some of it is made into entirely new products, like garden mulch, packaging and kitty litter.

## IN THE NEWS

It's been ages since *The Power Rangers* kicked-butt on a gaming console, so fans will be stoked to hear that *Power Rangers Samurai* is set for release on DS and Wii. It'll let you control the Samuraizer as you take on loads of Nighlok Monsters, and the coolest weapon - the Samuraizer Magazord - will destroy the MegaMonster!

Imagine a game that lets you train alongside your favourite Cricket, AFL, NRL or even skate stars! Due for release next year, *mCoach* will let you train with massive names like Basketballer Dwight Howard, Footballer Kaká and Tennis ace Ana Ivanovic. Awesome!

Good news for *Pokémon* fans! *Super Pokémon Scramble* and *Pokédex 3D* are set for release soon! Little is known about *Scramble*, but it will be released on 3DS later this year. *Pokédex 3D* works like a full *Poké* encyclopedia, but will have an in-built mini-game that uses Street Pass technology!

Sony released a brand new handheld game console called the PS Vita. Then they threw away the old Vita to make a new one. Complete with a rockin' ball concert!

# THE HOT 5!

## Bastion

5

Listen up Xbox Live and PC fans, 'cos Bastion is set to become a hot new fave! Incredibly, a tiny team is behind this brilliant new role-player, that features a narrator who constantly reacts to your choices in the game. You play as the kid, and your mission is to re-build the shattered world around you. Wicked monsters, weapons and ghosts will all try to bring you down, so keep your eyes peeled!

BONUS

## Super Mario 3DS

4

Super Mario 3DS is a cross between Galaxy, Super Mario 64 and Super Mario Bros. 3. However, this brand new title will be even better, thanks to the 3-D effect that makes the distances between ledges and platforms look more realistic. Mario has a whole new set of moves, and when using his tail, he'll be able to hover and pull off floating jumps. Just watch out for the Piranha Plants that spit ink!

**Playing every single game at E3 is an awesome but (almost) impossible job! There are literally hundreds to check out, so K-Zone's served up a countdown of the TOP FIVE most exciting games and gadgets from the 2011 show!**

# SKYLANDERS: SPYRO'S ADVENTURE

3

You read about the latest Spyro game in K-Zone's first, and now we've got even more exclusive news from E3. Skylanders: Spyro's Adventure will combine toys and videogames for the first time ever. Each game will be packaged with a Portal of Power and three figurines. You'll select the character you want to play as by placing the figurine on the Portal. The best part is, there's a whole stack to collect!

## THE STORY

In Skylanders, you play as the Portal Master, meaning you're able to control which heroes you send in and out of Skyland. Skyland, a location comprised of different islands, beaches, volcanoes and dungeons, also houses your enemy - the evil Portal Master! He's frozen the 32 heroes, including Spyro, as toys. Your mission is to bring them back to life!

## THE GAME

Played like an action-platformer, each of the characters has different strengths, and placing two toys on the Portal will activate co-op mode. While you're able to finish the game with the three figurines from the Starter Pack, Spyro, Gill Grunt and Trigger Happy, only some of the characters will be able to access certain areas of the game world. What's extra cool, is that the toys will store all game information including points and levels, so you can transfer your game to DS, Xbox 360, PS3, Wii or PC!

## THE WAIT

DUE FOR RELEASE TOWARDS THE END OF THIS YEAR, SKYLANDERS WILL BE THE FIRST EVER CROSS-PLATFORM GAMES BY EXPERIENCE, HEROING TO DS, XBOX 360, PS3, Wii AND PC. PLUS, WE'RE LOVING THAT IT COMBINES OUR TWO FAVORITE THINGS: GAMES AND TOYS!

# THE PS VITA

Six years after the original PSP was released, Sony has unveiled the PS Vita. Originally code-named the NCP, K-Zoners have already heard a bit about it, but here's even more good news! It's easily the most powerful handheld console of the new generation, and is set to be the cheapest too (prices aren't yet confirmed). K-Zone scored a test run of the PS Vita, and it feels different to the original PSP. The screen is a 5-inch multi-touch OLED display, and there's a rear touch pad plus Dual Analog sticks!

## THE GAMES

At E3, Sony didn't hold back when it came to hot new games. K-Zone got hands-on with *Little Deviants* (check out page B5 for more), *Uncharted Golden Abyss* (a spin-off from the original series) and *LittleBigPlanet*, where both touch screens and cameras are needed to make the most of the game. But that's not all! Even more games have been promised, including an RPG called *Ruin*, and special PS Vita versions of *Wipeout*, *ModNation Racers*, *Super Stardust*, *Street Fighter X Tekken*, and *Hot Shots Golf*. So where will you score the latest first? K-Zone, of course!

1

# Wii U

Finally! We now know the name, what it looks like and the key details about the Wii U – the hot new console set to replace the current Wii. Not due for release until next year, the biggest news is that the Wii U's controller has its own 6.2-inch, 16:9 touch screen!

As well as all the usual buttons and knobs, there's a hefty high-definition screen that will have an in-built accelerometer, gyroscope, rumble feature, camera, microphone, speakers,

sensor strip and stylus. Nintendo says the idea is to remove any barriers between the gamer and the game itself, so the experience will feel more real than ever!

## The Console

Nintendo still hasn't fully confirmed what the new console will look like, but those on display at E3 looked similar to the current Wii, just with rounded edges. What we do know is, the Wii U will play discs like the current Wii, will support 1080p graphics, and will be compatible with all current games, controllers and accessories. Super exciting!

## The Games

No full games were playable at E3, but eight Wii U 'experiences' were available to check out. Each was an example of what future games will be capable of, and challenged the way we currently view and play games. Imagine playing a game on TV, and then taking the controller to bed to finish a level. The possibilities are endless! Keep reading K-Zone, 'cos we'll be getting hands-on with the Wii U really soon!

# SLY COOPER: THIEVES IN TIME

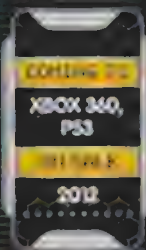

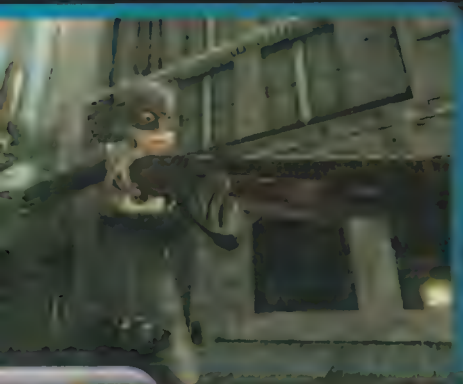

They say that good things come to those who wait, so surely *Thieves in Time* will be amazing when it's finally released on PS3 next year! We loved playing the PS2 version and now the PS3 platformer with brilliant graphics and an insane amount of detail is set to be even better. The story takes Sly and Bentley back in time as they try to find out who has been stealing family secrets. The time travel looks gnarly with different outfits available depending on the era being played.

PREVIEWS

## GOTHAM CITY IMPOSTORS

Not as violent as games like *Modern Warfare*, *Gotham City Impostors* is one first-person multiplayer shooter that your parents might actually let you play. While it's still a tough and fast shooter, the game uses Gotham City as the environment, and teams are made up of characters like Batman and The Joker. You'll be able to customize characters, weapons and gadgets – the Grappling Hooks, Glider Wings and Skates are wicked. It'll be a download-only game, and it's already out on PC. Sweet!

Note: This is for older K-Zoners.

# MARIO KART

COMING TO  
3DS  
ON SALE  
LATE 2011

We were stoked to play *Mario Kart* in sensational 3-D! The karts are now customisable, and if you're up really high and have modified your ride correctly, there's heaps of fun to be had in the air! Plus, power slides are back in a big way – it's all about getting the right balance of steering and power as you turn into a corner. Even cooler, each time you collect a coin, you can accelerate faster!

## LITTLE DEVIANTS

COMING TO  
PS Vita  
ON SALE  
TBC

Coming to PS Vita, *Little Deviants* is a collection of mini games that show off exactly what the Vita can do! These games are highly varied – one of our favourites was using the rear touch pad to create hills on the screen to roll balls around, kind of like *Super Monkey Ball*. Another let us shoot at objects that were flying around the room, by pointing the Vita to aim. Talk about sore arms after that one!

# LUIGI'S MANSION 2

While hanging at E3, we discovered so many secrets about upcoming 3DS games, that it's hard to know where to start! But, for the sweetest looking game, K-Zone's vote goes to *Luigi's Mansion 2*. The 3-D effects kick butt, and the mansion itself looks amazing and totally spooky! The idea is to use your torch to scare ghosts before sucking them up, collecting items, unlocking areas and solving puzzles. Luigi scores some new moves too, like the wicked Lightning Attack. No wonder we couldn't stop playing it!

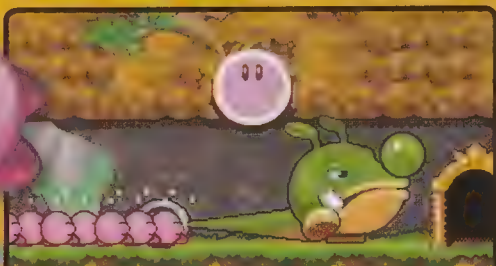

PREVIEWS

# KIRBY MASS ATTACK

Thanks to *Epic Yarn*, there are plenty of new Kirby fans out there, and the good news is that he's coming back – this time to DS. In *Mass Attack* there are now 10 Kirbys. Well, 10 clones anyway! The aim of the game is to control the group with the Stylus, cruising past obstacles and eliminating enemies. Getting used to controlling the group takes time, but this game is shaping up to be a surprise hit. It was easily one of the most interesting games on show at E3!

# DRIVER: SAN FRANCISCO

Set for release in September, the latest *Driver* will be for older K-Zoners only – especially the 3DS version that will be rated M. The back story is pretty crazy – it takes place as a dream inside the head of the main character, John Tanner. You're able to shift into missions, like driving sports cars or ambulances, and take it from us, the driving is mega cool! Like all the best racing games, the cars feel totally hectic – think of it as a top racer with a nutty story!

Note: This is for older K-Zoners.

# RAVING RABBIDS: ALIVE & KICKING

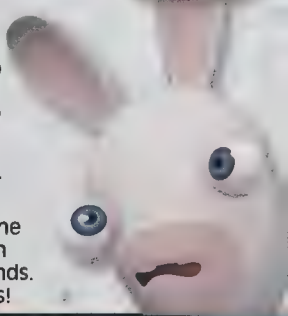

COMING TO

XBOX 360

ON SALE

November

Easily one of the most over-the-top Kinect games at E3, *Alive & Kicking* is set to be an epic party game. The *Rabbids* will get any lounge room up and jumping, kicking, bobbing and posing around with four-player functionality. Yep, all playing at the same time! There's even a cool online connectivity feature, where you can capture and upload photos for friends. Kinect party game fans will love this!

Hot huh? K-Zone has more gaming secrets to spill, but they won't all fit in one issue! Next month, look out for sneak peeks of *Fable: The Journey*, *Forza 4*, *X-Men Destiny*, *Mario Party 9*, *Tintin: MDraw*, *Ben-10: Galactic Racing* and news on *Super Smash Bros.* for Wii U!

My friends and I think K-Zone is the coolest mag on the block! Go K-Zone crew! – Simon

# LEGO PIRATES OF THE CARIBBEAN: THE VIDEOGAME

REVIEWS

Most of our favourite comics and movies have already scored the **LEGO** treatment, and now it's Jack Sparrow's turn! If you've ever played **LEGO** games before, the co-op gameplay will be familiar, and as usual, there are some epic puzzles to solve! The worlds, inspired by all four films, are huge, and you'll recognise locations if you're a fan of the series. In fact, some scenes from the flicks look better in **LEGO** form!

## SONIC CHRONICLES: THE DARK BROTHERHOOD - DS

Q

Hi Game Ninja. I can't find the second Chaos Emerald in *Sonic Chronicles: The Dark Brotherhood*. Are you able to help?

NICHOLAS, VIA EMAIL

A

Right after you take on Commander Syrax and his cronies, you'll need to beat General Raxos. Go into battle with Raxos with around 65% health points. It's a pretty easy fight - just make sure you use your speed to avoid getting hit. When in attack mode, be as accurate as you can, and at the end, you'll be rewarded with the Emerald.

## SOUL SILVER - DS

Q

I'm having trouble catching the Pokémon called Mewtwo in *Soul Silver*. Can you please help me?

TIMOTHY, VIA EMAIL

A

Firstly, make sure you're at Level 55. Then, you'll find Mewtwo in the Cerulean Cave. You'll need to be set with a Pokémon that can Flash, Surf and either Rock Smash or Rock Climb. After the ledge with the Electrizer item ball, climb down and you'll find a Black Sludge item ball. There is a path heading right and that's where you'll find Mewtwo. When you take Mewtwo, who has Psycho Cut, Power Strap, Amnesia and Guard Swap, try to use Dark Balls - they work well in caves. The Cerulean Cave is like a maze, and it takes a while to get there. Good luck!

## TRANSFORMERS AUTOBOTS - DS

Q

Yo Game Ninja! I'm stuck on Megatron in *Transformers Autobots* on DS. Please help!

RYAN, VIA EMAIL

A

The trick is to get Megatron's Allspark from him, and then use it yourself. Lock on using your missile system, circle him, but don't fire. Hit him using just one Melee attack. Do this a few times and Megatron will drop the Allspark, which you can then pick up. Hit him with the Allspark as many times as you can from close range. Then, you'll switch to Optimus Prime, and it's tough. You'll see health boosts on the surrounding streets, but only use them when you really need to. Attack Megatron while you avoid him by jumping and circling. Use the time when he pauses to fire purple explosives to unleash Melee attacks on him. All you need to do is repeat this until Megatron is defeated; just stick with it and you'll get there. And yep, it's the last one of the game!
